Memo

Letter No. 1315/295 dated 7th Augt/90 from the Dy Commr, Kolar Dist.

The Chattram at Narsapur in the Malur Taluk is a Mudrai building and it is situated midway between Kolar and Hoskote Taluks on the Madras-Bangalore road which was abandoned after the Railway was opened from Madras to Bangalore. The feeding in the said Chattram together with Establishment was also transferred to the Chattram at Malur on the ground that the Road & the Chattram are

are not much frequented
by travellers. The Chattram
in question may now
be useful to only a few
passengers that travel
from Kolar to Hoskote
and vice versa and also
from Malur to Narsa-
pura &c. and the Building
is used by them only as
a Musaferkhana. The
distance from Malur
to Narsapura is about
12 miles. On enquiry
in the office of the Insp.r
Genl. of Police, it is
ascertained that there
is a Police Station at
Narsapura, consisting
of one Jaffedar and
4 Constables.

2. The whole amount
of Surplus Funds of the
Kolar Dist.t on 1st April
1890 amounted to only
Rs. 5849-14-9. This
amount is required for
repairs and other current

current expenses of different Muzhrai institutions in the District.

3. Under the above circumstances, I beg to submit that if deemed proper, the Police at Narsapur may be directed to look after the Chattram building and the sweeper of the Govt Chattram at Malus may be ordered to clean the building once or twice a week and that if the entertainment of a Harikalgar is deemed necessary, the same may be sanctioned from the Local Fund of the Dist as proposed by the Dy Comr.

Sir,

I have the honor to state that there is a chuttrum at Narasapur Malur Taluq much used by travellers passing on the Madras-Bangalore Road though no feeding is given in it the same having been transferred to Kasba Malur some time back.

I inspected the buildings on the 5th. Instant and found that it was going to decay for want of a

a watch man to look after it and keep the same clean.

I beg therefore to request that you will be good enough to obtain early sanction for the entertainment of a Kavalgar for this chutturm on Rupees 4 debitable to the Municipal Surplus or Local Funds of the District.

The undersigned inspected the Narsapur Chutrum therein alluded to with the Executive Engineer and found the building to be a very strong one, Constructed at an outlay of Rupees 7,500 by the government some 20 or 30 years ago. It has also undergone some repairs from time to time. As there is no other building that may be set apart for high caste travellers I consider it necessary that the Chutrum should be restored and a Watcher appointed to look after it as already recommended in the letter above referred to.
